

April 2016 Newsletter

April Program: Principal Roundtable

Gayle A. Roberts is President and Chief Executive Officer of Stanley Consultants. She joined the firm in 1981. With more than 30 years of experience in the engineering and construction industry, Ms. Roberts' career path in consulting engineering has included positions as Business Leader, Project Manager, Resident Engineer, Industrial Market Leader and Business Development Manager. In 2007, she was elected the fifth President in the company's history.

James A. Lee has served as President of Shive-Hattery since 2012. Mr. Lee joined the architectural and engineering consulting firm in 1985 and has over 30 years of market experience, client insight and industry knowledge. He has a mechanical engineering background and previously served as the Building Systems Team Leader in Shive-Hattery's West Des Moines office.

Warren Lloyd serves as Vice President and is a member of KJWW's Board of Directors. Warren is responsible for development of the firm's international practice and the healthcare market for the Quad Cities office. His creative design solutions have received regional, national and international recognition, including ENR Midwest's Best Healthcare Project of the Year for Sherman Hospital, among the largest lake-coupled geothermal system in the U.S. Warren is a leading industry expert in geothermal technology and has been a featured writer in many trade journals and a speaker at national conferences.

Patrick Eikenberry is President and CEO of Missman Professional Engineers and Land Surveyors. Mr. Eikenberry was named Quad Cities Businessman of the Year in 2003. He has successfully chaired several boards, including the Mississippi Valley Regional Blood Center, the Robert Young Center, the American Council of Consulting Engineers, the Bettendorf Chamber of Commerce, and the Bettendorf Development Corporation.
