### February Program – Refrigerant Update

John Leslie, a Global Water-Cooled Chiller Product Support Engineer, obtained his BS from Marquette University in Milwaukee, Wisconsin in 1986 after which he moved to Long Beach, California to work in the aerospace industry with McDonnell Douglas (now Boeing).

John started with The Trane Company developing residential products for the international market in 1992 first in La Crosse, Wisconsin and then in Tyler, Texas and also at Trane's manufacturing and development facility in Thailand.

In 1999, John started working on the commercial side of the HVAC industry providing engineering and manufacturing support to Trane's centrifugal chiller factory. He has enjoyed supporting Trane salesmen and customers globally with water-cooled chillers since 2008.
